Answer to page 4: Jesus healed the sick.

Circle the things that a doctor uses.

A collection of line drawings of various objects arranged in a grid-like fashion. At the top right is a simple drawing of a doctor's head wearing a headlamp. Below it are several tools and objects: a stack of band-aids, a comb, a hammer, a bandage, a candle in a holder, a saw, a paintbrush, a scale, a stethoscope, and a rolling pin.
